Workers for the Harvest Field

By Pastor Christopher Martin

(Jesus said) The harvest is plentiful, but the laborers are few. Therefore pray earnestly to the Lord of the harvest to send out laborers into his harvest.” (Luke 10:2)

One of the biggest challenges that face congregations of the North American Lutheran Church (NALC) today is a looming shortage of Pastors. It is projected that within the next 10 years, 200-300 of our pastors who are actively serving our congregations today will be retiring, and our seminary system is currently producing 8-10 new pastors every year. In addition, we continue to see new NALC congregations being organized across the continent, and established congregations coming into the NALC from other Lutheran churches and needing to call pastors as well. As you can see, with math looking like this (and this does not even take into account pastors who die in office or leave the ministry for reasons other than retirement), we have a crisis that is already starting to affect the Church.

Today, we have 70 congregations across the NALC that are actively engaged in the process of calling a Pastor, and the average time it takes to fill those vacancies is becoming longer and longer, simply because we don't have enough pastors to go around. While there is, and will continue to be, an increase of two and three point parishes forming or staying together, that alone will not solve the problem of the looming shortage of pastors to serve our congregations in the coming years.

So, what's the answer? And how can you, God's people at Hope and Glen Flora Lutheran Churches, help?

(Pastor's column, cont.)

I draw you to the words of Jesus in Luke 10 I quoted at the beginning of this article as He prepares to send 72 of His followers ahead of Him into the towns and villages He was planning to visit. Even with 72 people commissioned to do this important work for the Kingdom, there will always be a need for more, and we are to pray that the Lord will raise up workers!

With this in mind, there are several action steps that you and I, God's people at Hope and Glen Flora, can take to help raise up workers for the Kingdom of God in our Church in the coming years.

First, I want to encourage each and every one of you to be intentional in praying that the Holy Spirit will raise up faithful Pastors to serve the North American Lutheran Church in the years to come, and pray for our congregations in the NALC who are currently in the process of calling a new Pastor.

Second, do you know of someone who has gifts that might serve the church well as a Pastor, or in diaconal (Word and Service) ministry? If you do, don't wait for that person to express an interest in serving professionally in the church. Ask them to prayerfully consider such and have them come visit with me about the possibilities. We have some opportunities in the NALC to assist with the discernment process.

Third, if you personally are thinking about if God is calling you to serve in professional ministry, come visit with me. I would be honored to accompany you on this discernment journey, even if it ends with you realizing that you're called to serve our Lord Jesus in the vocations in life you currently hold.

And finally, let's not forget something important: the work of Ministry in a congregation is not simply something you "hire" out to the Pastor. It is very much your work, too! Each one of you have been given spiritual gifts for the building up of God's kingdom. Ask yourself what can you do to help with the ministry of this church? How can you share Jesus Christ with someone in your life? What might you offer of your time and your talent to help with the things we do in Christ's name in this community, or that we could possibly start doing in the future? I've had a couple of conversations with

(Pastor's column, cont.)

some of you already who are taking on a new ministry that you never saw yourself doing, but now feel called to do. I'd love to hear more stories of this as we move forward.

I personally want to thank each and every one of you who pray for me and for my family on a regular basis. I will say I have never felt more prayer support from a congregation or parish I served as I have from you at both churches. Please continue to do that, I can't do this work without you! But I also want to challenge you to continue to be on the lookout for those who might have gifts for ministry that we could raise up for service in the Kingdom of God whether it is in ordained ministry, or simply in something we're doing in our own congregations. Thank you on behalf of the North American Lutheran Church for your prayers, and for your help in raising up the next generation of servants in the Kingdom of God.

The Sunday School children started the year with memorization verses. Throughout the year they have studied Bible stories from both the Old and New Testaments. A LETTER FROM YOUR CHURCH COUNCIL

Dear Members of Hope Lutheran Church,

As we are now into the 2nd quarter of the year, your Church Council and I wish to thank each and every one of you for the ways you continue to support our ministry at Hope Lutheran Church through the giving of your time, talent, and treasure for the extension of Christ's kingdom in this community. We cannot do the things our church does in the name of our risen Savior, Jesus, without you.

One of the most visible blessings we have as God's people of Hope Lutheran Church is our church building. As with any house made with human hands, our building needs a little attention every now and then to keep it a beautiful, attractive place to worship in, and we wish to invite you to help us with a couple of projects that are coming up in the near future.

Later this spring, our Property Committee will be overseeing a much-needed replacement of some windows in the office/education wing, and installation of mini split air conditioning units in the three offices, and the multipurpose room. Work is currently scheduled to begin in early June on both projects, with the window replacement coming first, followed by the installation of the mini split air conditioning units.

Funding for the window replacement was already included as a part of the Property Committee's 2022 budget. While we do have adequate funding from the Wuertth Estate and undesignated funds in the Memorial Fund to cover the expenses related to the air conditioning project, your Church Council would like to give you the opportunity to give as you feel led and are able, to help offset the expenses for the air conditioning so that we might be able to utilize the funds in the Wurth Estate or undesignated Memorial funds for additional needs down the road. If you would like to give a special gift toward this project, please place it into the offering box at Sunday worship or deliver it to the church office in person or by mail, and note that your offering is for the air conditioning project.

We also ask you to mark your calendars for Saturday, May 21, as we will be having a special Church Workday to help with some deep cleaning and other projects to help spruce up the church building

(Church Council, cont.)

inside and out, as this has not been done for a few years. We will have several jobs for all ability levels. We will begin at 9 a.m. and wrap up before lunch time. If you cannot help that day but would like to help with another task at another time, please let us know! More information on this will be coming out shortly as to what we need assistance with.

Again, we wish to thank the members of Hope Lutheran Church for the many ways in which you contribute to the life and vitality of this community of faith. We look forward to continuing to allow ourselves to be open to the work of the Holy Spirit in the life of this congregation as we step out in faith, boldly proclaim the gospel of Jesus Christ, and make disciples of Jesus who follow Him in faith and in daily living.

In Christ,
Pastor Martin and the Church Council of Hope Lutheran Church

Members of the Choirchimes of Hope and their families will have an end of the year potluck on Wednesday, May 25 at 6:00pm in the fellowship hall.
